ISSUE FEE CORRECTION

Mail Stop – ISSUE FEE
P.O. Box 1450
Alexandria VA 22313-1450

Dear Sir:

On December 6, 2006, the undersigned submitted a check in the amount of \$1030 to pay the issue fee, which was due December 6, 2006. Upon further investigation, the undersigned concluded that a large entity status was required for this application. Payment of the small entity issue fee was insufficient. The issue fee for a small entity was paid in good faith. The change of status was later discovered; therefore, the Office was not notified of the loss of entitlement to small entity as required by MPEP 1.27(g)(2).

To correct the error, a Notification of Loss of Entitlement to Small Entity Status is filed along with this letter of ISSUE FEE CORRECTION. The deficient amount is \$700, which is the difference between the issue fee of a large entity and a small entity. A check in the amount of \$700 is enclosed to pay for the deficiency owed to the USPTO. The late payment of the deficient amount is allowed under MPEP 1.28.

Respectfully submitted,
MARTINE PENILLA & GENCARELLA, LLP
